

# Discovering Me

## MONTHLY TIDBITS

# MARCH

Dear Parents,

Two and a half more weeks and spring will finally be here. We have a very busy month ahead of us with Dr. Seuss' Birthday—a favorite author of ours—St. Patrick's Day, the arrival of spring and many other fun activities.

This month we will continue the letters of the alphabet. Other topics for the month include Dr. Seuss and rhyming, St. Patrick's Day fun, and Spring Crafts. The change in weather in March as well as the arrival of spring will lead to all kinds of science lessons that the children love to do.

Hopefully the weather will start getting warmer, so please dress your child appropriately for outdoor play—sneakers, jeans, rubber soled shoes—**NO party shoes, NO party dresses and NO sandals**—safety before fashion please!

Picture Day is scheduled for Friday, March 27th. As soon as we receive the information and packets from the photographer we will send them home with all the details. Be sure to mark the date on your calendar.

Our summer program still has some openings. It provides a happy and relaxed environment where your child can continue to develop important social skills while enjoying outdoor play. If you are thinking about sending your child and have not registered as of yet, please do so as soon as possible. If you have registered for summer camp and/or September and have not paid the registration fee/fees they must be paid now. Thanks.

March 26th is Rainbow Science Day

### A Few Reminders:

- If you have not returned your child's report as of yet please do so now – we need it for June's progress report. At that time you will be able to keep it.
- Please check your child's bin of clothes to make sure they have a change of clothes – some are empty. Also note that some children have outgrown the clothes from September or the clothes are not appropriate for the coming weather.
- Sunday, March 8th is Daylight Savings Time – remember to set your clocks ahead one hour.
- Picture Day is on Friday, March 27th.
- Show-n-Tell is also on Friday, March 27th.
- Tuesday, March 17th we will be celebrating St. Patrick's Day – don't forget to wear green.
- Please keep your child home if he/she is not feeling well with a fever, stomach virus, flu symptoms, etc. Your child must be fever free for 24 hours before returning to school. This policy is for the well-being of all the children and staff.

As always, if you have any questions, concerns or suggestions, please feel free to call any time.

Sincerely, Carol, Laurie, and Staff

## at-a-glance

### March Topics:

- Letters of the alphabet
- Dr. Seuss' Birthday
- St. Patrick's Day Fun
- Spring Crafts
- Science Lessons
