

Discovering Me

MONTHLY TIDBITS

NOVEMBER

Dear Parents,

We hope everyone has recovered from their Halloween festivities. We enjoyed seeing all the children in their costumes at our party. Due to Covid-19 we could not have any entertainment but a great time was still had by all. Thank you for all the goodies contributed to our party. The children must have enjoyed finding them in the trick or treat bags they made. We enjoyed a few treats as well!

It's hard to believe November is already here. This month's theme is "Sharing is Caring." Our classroom is excited about falling leaves, turkeys, Pilgrims and Native Americans. This month we will learn about Election Day, Veteran's Day, transportation, and sharing. We will continue our lessons on shapes and begin learning our numbers and number patterns. We will also learn all about Thanksgiving. During the coming weeks your child will bring home many things to share with you—crafts and art projects, number, science and language activities and lots of stories. Your interest in and appreciation of these special projects is extremely important in encouraging and stimulating your child's desire to learn and grow.

Please check your child's class activity calendar for special days such as **Show-n-Tell** and our **Thanksgiving Feast** where the children will become Pilgrims & Native Americans and all participate in our version of the First Thanksgiving.

As the weather starts getting colder please make sure that your child is dressed appropriately for outdoor play—jeans or sweatpants and sneakers —and please, please, please make sure all of their belongings are labeled with their names — jackets, hats, gloves, etc.

Don't forget to check the clothes in your child's shoebox to make sure they have clothes for the colder season – some still have summer clothes in them.

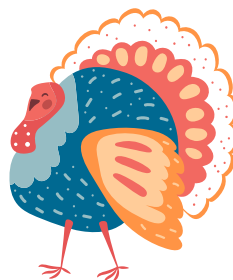

A Few Reminders: Some children are being dropped off earlier or picked up later than they are registered for which may put us out of compliance with the staff/child ratio requirements. Please adhere to the schedule you registered your child for. We are staffed according to the number of children registered for early drop off and/or after school care. If you need longer hours please advise us so we can update your schedule and tuition rate as well as adjust our staff /child ratio if need be. Thanks for your understanding with this matter.

School Closures: School will be closed on Wednesday, November 11th in observation of Veteran's Day. School will also be closed on Thursday, November 26th and Friday, November 27th for Thanksgiving. School will reopen on Monday, November 30th.

As always, if you have any questions or concerns regarding our program or your child, please feel free to call at any time.

Sincerely, Ms. Carol & Ms. Laurie

A SPECIAL THANK YOU TO ALL OUR VETERANS!
WISHING EVERYONE A HAPPY THANKSGIVING!
