

Discovering Me

MONTHLY TIDBITS

APRIL

2026

Dear Parents,
We hope everyone had a nice Spring break and enjoyed all the holidays celebrated. Spring is finally here and hopefully the nice weather associated with the season will arrive and stay with us for a while.

The topics that will be covered this month in Ms. Christine & Ms. Rose's class include continuing with our study of the letters of the **alphabet**, **Spring fun**, **Space**, **Earth Day**, **Arbor Day**, **Planting** as well as sight words with our Pre-K classes. Ms. Niki's topics include the **Weather**, **Insects**, **Flowers**, **Earth Day**, **Planting**, and the **Farm**. Our **Science Fridays** are done in all classes. Please check your child's calendar for specific daily activities.

Keep in mind that should you have any questions or concerns regarding your child's day, feel free to reach out to your child's teacher via e-mail or phone. Also note that should an issue arise during the day such as a different pick-up person or an early/late pick-up, **please call your child's classroom** instead of e-mailing, as we may not see your e-mail until the end of the day.

Our **Annual Family Fun Day** is scheduled for **Wednesday, June 10th**. It will take place from 10:00am until 2:00pm at Glen Island Park in New Rochelle. There will be no school on Family Fun Day. Also note that our spring fundraiser will be a 50/50 raffle which will be held at Family Fun Day. All details will follow at a later date. We are really looking forward to Family Fun Day – the children really have a fun time as does everyone.

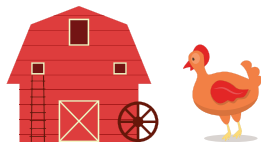

A Few Reminders:

- Don't forget that **Picture Day is scheduled for Friday, April 17, 2026**. Your child will be photographed individually and in a class picture.
- The monthly newsletter is printed and included in your child's backpack, as well as e-mailed and posted on our website.
- Please update your child's change of clothes in their shoebox from winter clothing to warm weather clothing.
- We still have **sweatshirts available for sale** so if you are interested let your child's teachers know. It's good material for the weather this time of year. **The cost is \$20.00**.
- Please **do not forget to include utensils and drinks** with your child's lunch. If your child's lunch needs to be heated, make sure it is in a container that can be put in a microwave or toaster oven. Keep in mind that some of the lunches in Bento boxes and similar type lunch boxes are not easily heated.
- The warmer weather will be more consistent now, which means we will have more outdoor play so please dress your child appropriately – **jeans, sweatpants & sneakers are best**. NO party shoes, NO party dresses, NO sandals, or crocs. Safety comes before fashion. Also keep in mind that the mornings are still cool so send your child to school in a jacket or sweatshirt.

As always, if you have any questions or suggestions, please feel free to call us any time.

Sincerely, Ms. Carol, Ms. Laurie, and Staff

at-a-glance

April Topics:

- Spring fun
- Letters of the alphabet
- The Farm
- Earth Day & Planting
