

Discovering Me

MONTHLY TIDBITS

APRIL

2023

Dear Parents,

Spring is finally here and hopefully the nice weather associated with the season will arrive and stay with us for a while.

The topics that will be covered this month in Ms. Christine & Ms. Rose's class include continuing with the **study of the letters of the alphabet, the farm and planting** as well as sight words with our Pre-K classes. Ms. Niki's topics include **planting, dinosaurs, and zoo animals**. Our **Science Fridays** will be done in all classes. Please check your child's calendar for specific daily activities.

Keep in mind that should you have any questions or concerns regarding your child's day please feel free to reach out to your child's teacher via e-mail or phone. Also note that should an issue arise during the day such as a different pick-up person or an early/late pick-up please call your child's classroom instead of e-mailing us, because we may not see your e-mail until the end of the day.

Don't forget that **Friday, April 14th school pictures will be taken**. We will be open regular hours for Friday full day children only. If your child does not attend school on Fridays please adhere to the schedule that was e-mailed and sent home to you.

Our **Annual Family Fun Day** is scheduled for **Wednesday, June 7th**. It will take place from 10:00am until 2:00pm at D'Onofrio Park in New Rochelle. There will be no school on Family Fun Day. Also note that our spring fundraiser will be a 50/50 raffle which will be held that day. This year we have something extra special to

celebrate as 2023 is **Discovering Me's 30th Anniversary!** We are excited to share this milestone with our DMNS family and will send more details soon!

A Few Reminders:

- School will be closed for Spring Break from **Monday, April 3rd** through **Monday, April 10th**. We will reopen on **Tuesday, April 11th**.
- Please update your child's change of clothes in their shoebox from winter clothing to warm weather clothing.
- If your child is participating in Pizza Fridays and you have not paid the fee as of yet, please do so right away.
- We still have sweatshirts available for sale so if you are interested just let your child's teachers know.
- Don't forget to include utensils and drinks with your child's lunch. If your child's lunch needs to be heated please make sure it is in an appropriate container as Bento boxes and similar type lunch boxes are not easily heated.
- Now that the weather is getting warmer, please dress your child appropriately for outdoor play—play clothes & sneakers are best—NO party shoes, sandals or party dresses as safety comes before fashion. Also keep in mind that the mornings are still cool so send your child to school with a jacket or sweatshirt.

As always, if you have any questions or suggestions, please feel free to call us any time.

Sincerely, Ms. Carol, Ms. Laurie, and Staff
