calendar!**

2024

MARCH

Dear Parents,

Two and a half more weeks and spring will finally be here. We have a very busy month ahead of us with **Dr. Seuss' Birthday**, a favorite author of ours, **St. Patrick's Day**, the **arrival of spring** and many other fun activities including our **Science Fridays**.

This month we will continue the **letters of the alphabet**. Other topics for the month include **rhyming**, **St. Patrick's Day fun**, and **Spring & Easter Crafts**. The change in weather in March as well as the arrival of spring will lead to all kinds of science lessons that the children love to do.

Hopefully the weather will start getting warmer, so please dress your child appropriately for outdoor play—sneakers, jeans, rubber soled shoes—NO party shoes, NO party dresses and NO sandals—safety before fashion please. We are excited just thinking about outdoor play.

Picture Day will be scheduled for a day in April. As soon as we receive confirmation from the photographer, we will advise you so you can mark the date on your calendar.

Please take a moment to complete the survey that was e-mailed to you on Monday. At Discovering Me we always strive for excellence and this survey provides important feedback for us to continually achieve this goal. We also ask that you take the time to go to our website, under contact us, and **leave a google review** which will help incoming families get a feel for the experience others have had in our program.

Our summer program still has a few openings. It provides a happy and relaxed environment where your child can continue to develop important social skills while enjoying outdoor play. If you

are thinking about sending your child and have not registered yet, please do so as soon as possible. If you have registered for summer camp and/or September and have not paid the registration fee/fees they must be paid now.

A Few Reminders:

- If you have not returned your child's report card yet, please do so now – we need it for June's progress report. At that time, you will be able to keep it.
- **Sunday, March 10th is Daylight Savings Time** – remember to set your clocks ahead one hour.
- **Friday, March 15th** we will be celebrating **St. Patrick's Day**—don't forget to wear green.
- School is closed for **Spring Break Monday, March 25th to Monday, April 1st** we will reopen Tuesday, April 2nd.
- Please check your child's bin of clothes to make sure they have a change of clothes – some are empty. Also note that some children have outgrown the clothes from September. We will be asking for updated clothing in the next couple of weeks once the weather starts getting warmer.
- Check your child's class activity calendar for his/her Show-n-Tell date.

As always, if you have any questions or suggestions, please feel free to call us any time. Happy Spring to all,
Sincerely, Ms. Carol, Ms. Laurie, and Staff
