

Discovering Me MONTHLY TIDBITS

JUNE

Dear Parents,

As we are reaching the end of the 2025-2026 academic year, we hope you and your child had as much fun in the program as we did in presenting it. It is hard to believe it is already June. It has been an exciting year for all of us. We hope that your year at Discovering Me was a most pleasurable one and we thank you for trusting us to care for and educate your children.

We would also like to thank our amazing staff for all their hard work and dedication throughout this past school year. We are blessed to have such a loyal, loving, and professional staff working with us. We thank each and every one from the bottom of our hearts and are honored to consider them family. They have been a great asset to our program and have impacted the lives of all the children that have passed through our doors.

For the children returning in September or spending the summer with us, we have exciting activities planned. To those of you whose children are graduating, we hope that they had a fun & wonderful learning experience. We will certainly miss all of you.

If your child is returning to Discovering Me in the fall, **September's tuition is due by Friday, June 12th.** If this fee is uncollected by June 12th and you did not make arrangements with us we will be unable to reserve your child's place.

This month we will review and test some of the things we have learned throughout the year. We have some special fun days planned to end our school year.

Don't forget **Family Fun Day is on Wed., June 10th**, at Glen Island Park from 10:00am to 2:00pm. We hope to see everyone for a fun filled day.

Our **graduation ceremony** will be held on

Wednesday, June 24th at Hommocks Middle School auditorium at 5:30pm. Each kindergarten-bound child will receive a graduation cap, a diploma, a gift, and a memento of the day. If you have not paid the graduation fee yet, please do so by Monday, June 8th. See attached for Graduation details.

A Few Reminders:
