

# Discovering Me

## MONTHLY TIDBITS

2023

# MAY

Dear Parents,

Our academic year is almost coming to an end. Over the next eight weeks we will be concentrating on completing the letters of the alphabet and reviewing lessons learned. We also have plenty of fun days planned for the remainder of the year.

This month's topics for our nursery school and Pre-K program include **zoo week**, **Mother's Day** projects, **insects**, and **dinosaurs**. Our topics for our toddler program also include insects and Mother's Day projects as well as **spring sensory fun** and our **solar system**. We will also observe our **caterpillars** complete their transition into butterflies. Check your child's class activity calendar for topics and special days for his/her class.

For the children returning to Discovering Me in the fall, September's 2023 tuition will be due by Friday, June 9th. If this fee is uncollected by this date and you have not made arrangements with us for payment, we may not be able to reserve your child's place. You will receive a mail out in early May and another in August with information for September 2023.

Graduation for kindergarten bound children is scheduled for Friday, June 23rd at 5:30pm. We are awaiting the final written confirmation and approvals from Hommocks Middle School. As soon as we receive written confirmation for this date we will send a letter home with all the details so that you will be able to make arrangements to attend. This is an extra special celebration at Discovering because it is our 30th Graduation Class.

*Memorial Day*  
Remember & Honor Those Who Served

### A Few Reminders:

- **School will be closed on Monday, May 29th and Tuesday, May 30th** in celebration of Memorial Day. We will reopen on Wednesday, May 31st.
- Dress your child appropriately for outdoor play – sneakers or rubber soled shoes only – no sandals, Crocs or open toed shoes. Please do not send the girls in party dresses – jeans, shorts, and sweatpants are best.
- Please update the clothing in your child's shoe box – some children have outgrown the clothing in their shoe boxes and most have winter clothing in them.
- Please remember to encourage your child to leave all toys at home. There are no toys from home allowed in school except on special occasions of which you will be notified.
- Put sunscreen on your child in the morning – we are outside everyday now and the sun is strong at certain times.
- For Friday children only – if you have not paid for your child's pizza as of yet, please do so now as it is past due.
- Don't forget on **Wednesday, June 7th**, we will be having our **Annual Family Fun Day** at D'Onofio Park. Mark this day on your calendar because it is one of the children's favorite days. All families and friends are welcome to attend. There will be no school on this day. Details will be sent home shortly.

As always, if you have any questions or suggestions, please feel free to call us any time.

Sincerely, Carol, Laurie, & Staff

## at-a-glance

### May Topics:

- Zoo Week
- Mother's Day
- Dinosaurs
- Insects
- Spring Sensory Fun
- Solar System

**Mark your calendar!**
