

Discovering Me

MONTHLY TIDBITS

2024

MAY

Dear Parents,

Our academic year is almost coming to an end. Over the next eight weeks we will be concentrating on completing the letters of the alphabet and reviewing lessons learned. We also have plenty of fun days planned for the remainder of the year.

This month's topics for our nursery school and Pre-K program include **insects**, **Mother's Day** projects, **dinosaurs**, and **farm week**. Our topics for our toddler program includes **spring sensory fun**, **Mother's Day** projects, **weather** and our **solar system**. We will also observe our **caterpillars** complete their transition into **butterflies**. Check your child's class activity calendar for topics and special days for his/her class.

For the children returning to Discovering Me in the fall, September's 2024 tuition will be due by Friday, June 14th. If this fee is uncollected by this date and you have not made arrangements with us for payment, we may not be able to reserve your child's place. You will receive a mail out in early May and another in August with information for September 2024.

Graduation for kindergarten bound children is tentatively scheduled for **Wednesday, June 26th at 5:30pm**. We are awaiting the final written confirmation and approvals from Hommocks Middle School. As soon as we receive it, we will send a letter home with all the details so that you will be able to make arrangements to attend.

A Few Reminders:

- **School will be closed on Monday, May 27th and Tuesday, May 28th** in celebration of Memorial Day. We will reopen on Wednesday, May 29th.
- Dress your child appropriately for outdoor play—sneakers or rubber soled shoes only—no sandals, Crocs, or open toed shoes. Please do not send the girls in party dresses—jeans, shorts, and sweatpants are best.
- Please update the clothing in your child's shoe box—some children have outgrown the clothing in their shoe boxes and most have winter clothing in them.
- Please encourage your child to leave all toys at home. There are no toys from home allowed in school except on special occasions of which you will be notified.
- Put sunscreen on your child in the morning—we are outside everyday now and the sun is strong at certain times.
- Don't forget **Tuesday, June 11th** is our **Annual Family Fun Day** at D'Onofio Park. Mark this day on your calendar, as it is one of the children's favorite days. All families and friends are welcome to attend. There will be no school on this day. Details will be sent home shortly.

As always, if you have any questions or suggestions, please feel free to call or visit any time.

Sincerely, Carol, Laurie, & Staff
